47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I support broadband competition. Being stuck with one or two providers means you get crappy service. They don't have to work for you as a customer.

The future is broadband. As a work at home mother, I need the internet to stay connected to clients and do work designing websites. Competition helps keep my business costs low.
